Welcome..

We are a Texas-based company that travels all over the world. Our specialty is turning food into experiences that you and your guests will always cherish. Our Modern Southern style and unique flair from different cultures allow us to customize your menu just the way you want! Whether you are looking at having an intimate affair with friends, a wedding for 200, or a grand opening for 1000 people we can create the menu of your dreams.

Our clients rave about our service and our food. Our passion is not just food it's making sure that your event runs smoothly from start to finish. Let us take you through the process step by step from tasting to conception. You will be delighted with the results.

We offer packages with different levels of service so that you get exactly what you need and what you want!

Taxes, delivery, and service fees are additional. The service fee is an operating cost for things such as insurance, advertising, staff, supplies, various sundries, and ancillary operating expenses.
